ABOUT US

West Side Community Services is located at **161 Vermont Street, Buffalo, NY 14213** on Buffalo's West Side. The organization offers services to the local community that especially focus on youth and senior resilience, social interaction, mental and physical wellness, local/healthy food access, prosocial behavior development, drug/alcohol/violence prevention, and education.

The neighborhoods surrounding WSCS contain the most diverse zip codes in the state outside of New York City. WSCS's programs welcome and celebrate children, teens, and older adults from many different cultures and ethnicities, socio-economic strata, ages, and language groups. WSCS staff and volunteers are multilingual and multicultural to serve the community most effectively.
