

Always fun taking the Safe Driver Academy class! You stay engaged and the time flies by with lots of knowledge and humor. It's my second time and won't be my last!

– JACK, Buffalo

This was my third time taking the Safe Driver Academy class. Just like the first two times, I came away with new information as well as a smile, or two, or three! Thank you so much. See you in 3 years!

– LuAnn, Riverside

I was a professional driver for over 30 years, and I can say for sure that this class has improved my driving and—better yet—improved my mood when I'm out on the road! Plus, I saved on my insurance!

– KEVIN, Lackawanna
